

## Windswept Pattern Corrections

For the King sized version you will need:

7 1/4 yards white  
3/8 yard yellow  
1 2/3 yards green

### Cutting Instructions

#### Green

- Cut 12 - 2 x 16 1/2" strips (not 1 1/2" x 16 1/2")
- Cut 21 - 1 1/2" x WOF strips for borders

#### Yellow

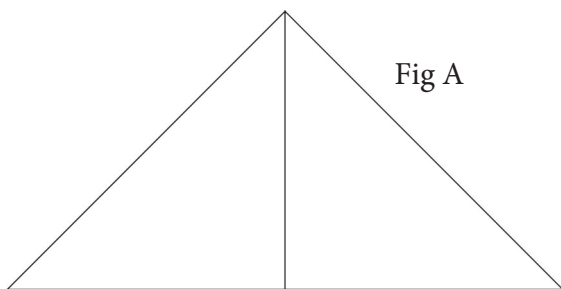

- Cut 32 Small Petals from Template E

#### White

- Cut 32 of Templates F
- Instead of 2 - 26 1/2" squares, cut 4 - 36" squares. Cut each one in half on the diagonal.

Follow the instructions below for final assembly.

- Follow same instructions for Red and Purple flowers as the Full quilt, making 2 of each
- Sew 1 Red and 1 Purple flower together with 1—2 x 34" White strip between them, creating 2 sets
- Sew the 2 Flower rows together with 1—2 x 69" White strip between them and alternating the flower colors
- Sew 1—1 1/2 x 68 1/2" White strip to each side of flowers
- Sew 1—1 1/2 x 71 1/2" White strip to the top and bottom of the flowers

- Mark the center of the White strip
- Sew two white triangles together along 36" side (Fig A). Repeat with remaining triangles to create 4 new triangles
- Match the center seam of the triangle with the center of the flower rows and sew the triangles to the quilt
- Trim outside edges as needed to create a 99 x 99" square
- Add Green Border #1, then White Border #2 and finish with Green Border #3
- Add back, quilt and bind

For the Throw sized version when adding the white triangles:

- Mark the center of both the flower and the 24 1/2" White triangles (along the longest edge) and sew one to each side. They will not be the exact same length.

Trim as needed to square up quilt.
